

DAVY

my **DAVY**
for credit unions

myDavy for credit unions is an easy way to access your portfolio online, helping you view all of your investments in one place, whenever you want - all in a completely secure environment.

Key benefits include:

Online correspondence

It's a lot more secure to receive and store your account correspondence at myDavy for credit unions. Online correspondence is also better for the environment because it reduces the amount of paper you receive from us.

Seamless access

Designed with mobile and tablet in mind, myDavy for credit unions enables you to access the service via the device of your choice with no compromise in quality.

Single view of your investments

Now you can conveniently view all your investments and contract notes in one place, seeing your account valuation – broken down by each asset class.

See overleaf for our handy guide on how to register for myDavy for credit unions, if you haven't already and how to switch to online correspondence.
